To Whom It May Concern,

**Re: Request for Nepal Earthquake Response Aid**

Dear Sir/Madam,

On 25<sup>th</sup> April 2015, a massive earthquake of 7.8 Richter hit Nepal followed by over 100 aftershocks that has claimed over 5,000 lives, flattened many villages leaving thousands homeless. In the wake of this disaster, Nepal still struggles to provide proper medical, rescue, food and shelter to the victims. There is a grave danger of epidemic spreading due to decaying bodies and lack of proper sanitation system.

Fair Trade Group Nepal with assistance from its member organizations, partners, and supporters will aid in the earthquake disaster relief effective immediately. The aid will foremost be targeted towards Fair Trade producers and the affected areas, primarily – Sindhupalchowk, Bhaktapur, Nuwakot, Lalitpur, and Kathmandu.

The immediate response will focus on

- Medical aid and assistance
- Food and shelter
- Hygiene and sanitation

The long term response plan will focus on:

- Resettlement support
- Opportunities for gainful employment

We humbly request your support in our Nepal Earthquake Response Aid. We will partner with other organizations to channelize the support received for the most-effective and transparent response to aid the victims.
